ABDUL HAMID'S CEMETERY

Cases of Brigandage in the Sultan's Dominions.

Roston Dec. 28-A gentleman who is well acquainted with affairs in Turkey perty of the American Board, until a show their agents.

Entered in the postoffice at Wichita as second-class matter and entered for transmission through the mails as such mere finise on through the mails as such mere finise on the finish of the finish force of the Eagle when in New York City or Chicago, can see copies of the paper at the office of our agent at the address given above.

perty of the American Board, until a show of force is made in Turkish waters. The Turkish government is one which never acts in such a matter until it is forced to. He says that it will probably not be necessary for our administration to go to the extent of actually bombarding a Turkish port.—Smyrna being the one most frequent, by mentioned in that connection—but it will to be necessary to send warehing them. ster Ang il and by Minister Terrell before lage, where I heard the story told. The and team \$2.50 per day. Carried. him. The end of the incident will not captain and two of his companions are be reached until we are ready to take this still at large, and have probably left the

> Speaking of the relations of the departments of the Turkish government with each other the speaker said that the Porte, meaning the heads of the departments, is always in antagonism to the Sultan. This is the chronic condition in Turkey. The Grand Vizier, who is more like our Secretary of State than any other officiti, s practically or prisoner all the time. He cannot control his own movements. He s always under the orders of the Sultan. He cannot go anywhere without giving an ecount of himself. He is under suspicion all the time. This caution on the part of vent any plots against his life.

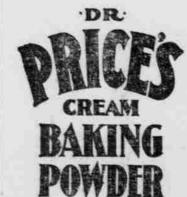

occupied with perty details. A magicantern exhibition could not be given until he matter had been referred to the cen-

tral government. The condition of politics and society in Purkey today is represented as terrible. The Sultan follows the policy of putting in of the way prominent and active men who are likely to make trouble for him. It is the truth that since the Armenian massecrea no fewer than some 4.00 active men have disappeared mysteriously from Constantinople. They are put out of the way, no one knows how. It is possible that they have been sent to the mines in the interior, but it is also possible and this s believed to be their fate as probably as anything-that they are sent out by night a steamer upon the Bosphorus and thrown overboard in sacks. It was not ong ago that there appeared in one of the newspapers a few lines of caution to Mosof their liberties. The Sultan thought that young Turks who were understood to be particularly interested in the government. At any rate, in one night, directly after that, 340 of the members of that club disappeared, and it has been utterly impo self. Have you any good photos? If not, sible to find any trace of them since. That take advantage of our special holiday is the way the Sultan keeps the upper

A during case of brigandage recently or at your best-not your worst. We are curred at Smyrnia, in which the victim careful, studious and tireless and have was the son of Mr. Whittall, one of the richest and leading British merchants of that town. Young Mr. Whittall was driving with three ladies from Smyrnia to carriage was stopped by elx men, four of whom seemed to be Bulgarians or Greeks from Bulgaria ,and two native Arnaouts. seaving the ladies to report the occurmee, the brigands carried off their victim evening dress, sending word by his sumed and pushed to completion. ompanions that they demanded fifteen indred pounds. Mr. Whitiall, immediatereceiving the news, started in purthe exposure. After three days' bard schedule for next season. raveling the brigonds were found, and the nameom paid, the men eacording the of The Wichita Gas, Electric Light and two Whittalis on part of their homeward Power company will be held at the office journey, and finally parting with them

> It is not long since another case occurred close to Constantinople, at a small town named Konti Yalova, where there is a sanitary establishment kept by Mme Bronzo, midwife to the palace. One after er guests, an old lady and her young oachman foolishly remarked, "Be careful. the is the midwife to the Sultan's harem." Seeing at once that they had a rich prize ook Mine. Brongo and the young indi thousand pounds. They also reason no fears for her daughter; an exceeding and well. The money was quickly pal well treated, were released, th expense band making each of them a preseof one hundred pounds of parting. The covernment then commenced a runaley out after the men, scouring the whole
